Libere associazioni.

Piani sagomati a 90° e 120°, top di raccordo, piani rettangolari anche su misura, basi metalliche a T o cilindriche si affiancano agli altri elementi della collezione: dai tavoli di servizio, ai contenitori, agli schermi divisorii, permettendo la massima libertà di progettazione, organizzazione e utilizzo dello spazio.

Free associations.

Shaped surfaces at 90° and 120°, connecting tops, rectangular surfaces which can also be made to measure and metal 'T'-shaped or cylindrical bases combine with other components of the collection: from service tables to storage units and divider screens. They allow maximum freedom for designing, organising and using space.

Freie Assoziationen.

Platten auf 90° und auf 120°, Verbindungsplatten, rechteckige Platten auch nach Maß, metallische Untergestelle aus T-Profil oder zylindrisch, können mit anderen Elementen der Kollektion verbunden werden: Beistelltische, Schrankelemente und Trennschirme geben maximale Freiheit in Planung, Organisation und Nutzung von Räumen.

Associations libres.

Plans découpés à 90° et à 120°, plans de liaison, plans rectangulaires également sur mesure, piètements métalliques en T ou cylindriques, ils se juxtaposent aux autres éléments de la collection : des tables de service, aux armoires, aux panneaux écran, permettant la plus grande liberté de projet, d'organisation et d'utilisation de l'espace.

124 Atmosfere leggere.
L'originale decoro stilizzato può essere realizzato anche sugli ampi tavoli da riunione rettangolari, di lunghezza 240 cm, nonché sullo schienale delle sedute coordinate, realizzate con un'unica scocca in multistrato curvato: un segno di naturale calore e di luminosa leggerezza.

Light atmospheres.
The unusual, stylised decoration is also available on large, 240 cm long meeting tables and on the backrests of coordinating chairs, made using a one-piece shell in curved plywood: a hint of natural warmth and bright airiness.

Ein Hauch Schwerelosigkeit.
Ebenfalls realisierbar ist die originelle, stilisierte Dekoration auf den großzügigen, rechteckigen Konferenztischen, Länge 240 cm, sowie auf dem Rückteil der dazu passenden Sitzmöbel mit durchgehender Sitzschale aus gebogener Mehrschichtplatte: ein Zeichen für natürliche Wärme und helle Leichtigkeit.

Atmosphères légères.
Le décor original stylisé peut être réalisé également sur les grandes tables de réunion rectangulaires, de 240 cm de longueur, ainsi que sur le dossier des sièges assortis, réalisés avec une coque unique en multiplis courbé : un signe de chaleur et de légèreté lumineuse.

Atmósferas leves.
La decoración estilizada original puede ser realizada también en las amplias mesas de reunión rectangulares, de 240 cm de longitud, así como en el respaldo de los asientos coordinados, realizados con una estructura única en estratificado curvado: un signo de natural calidez y luminosa ligereza.
